Costa del Sol, Casares Playa

Penthouse in a Very Popular Location!

Casares del Sol is much loved by holiday makers and locals alike for its great location between Finca Cortesin Golf Resort and the beaches of Casares Costa.

With a huge communal pool and lovely manicured gardens, gated entry, and lots of space for kids to play, this urbanization is always a big hit for holiday makers. That's why many own properties here to rent out either as an AirBnB business or as a means to generate some income to cover running costs.

The property itself is one of a few penthouses on the market with 2 bedrooms, 2 bathrooms, 75m² built, a 33m² parking, and a 9m² storage room. It has a sunny open terrace with views towards the Mediterranean and SE Orientation.

It carries the Andalusian Tourist License and is property managed generating year round income with repeat bookings whilst maintaining the property in great condition.

This is a wonderful, well priced investment, in an area poised for future appreciation as the overflow from Estepona moves further down the coast.
