The house is distributed over three floors: On the main floor, you enter through a charming front patio with a private garage. Inside, you'll find a spacious and bright living room, a dining area, and access to a magnificent terrace offering total privacy and panoramic views of Fuengirola and the surrounding nature. Its southwest orientation ensures sunlight all day long. The kitchen is independent but could easily be opened up to the living area. This level also includes a guest toilet and one bedroom. The property also includes its own private tennis court, a rare and highly desirable feature. The house does require some renovation, although the windows are of good quality.
