Throughout the apartment, high-quality materials, tasteful decoration, and abundant natural light create an atmosphere of calm and understated luxury. The terrace itself is ideal for year-round enjoyment, featuring a cosy side corner that captures the lower winter sun and a smart, automatically retractable sun awning that adjusts based on wind strength. Thanks to a large protected green zone in front of the building, the views will remain unobstructed indefinitely, offering permanent visual space, silence, and privacy. As a resident of Oasis 325, you'll enjoy access to a wide range of first-class facilities designed to promote wellness and relaxation. The wellness area features a sauna and Turkish bath, and the fully equipped gym includes separate male and female changing rooms, each with showers and private lockers. A modern co-working lounge completes the offering, ideal for remote professionals or digital nomads. The apartment comes with one underground parking space and a spacious private storage room in the basement, with more than enough space for electric bikes and additional storage needs. Additional features include energy-efficient hot and cold air conditioning, solar-assisted aerothermal water heating, double-glazed windows, and high thermal insulation, contributing to the property's excellent A/B energy rating.
